

Sharing Our Building

Consistent with our mission to reach out to the larger community and be responsible stewards of this beautiful historic church, we welcome building rentals so others may share it with us.

Our location combines the charm of the Village of Housatonic with close proximity to both Stockbridge and Great Barrington. The Mass. Pike is only a short drive providing easy access from both the East and West.

There is some off street parking with handicap access as well as ample on street parking.

The building includes a spacious sanctuary and an adjoining social hall complete with stage and kitchen.

The entire facility or individual rooms may be rented and could provide just the space you have been looking for whether it's for a wedding, concert, lecture, reception, special event or regular meeting place.

Room Descriptions:

Sanctuary

This space is the heart of the original church with arched decorative ceilings reflective of its late 19th century architecture. Medium wood trim and amber stained glass create a warm glow throughout.

The curved pews provide an inclusive feeling to the seating for up to 270 people. The pipe organ, baby grand piano, and sound system may be used with special permission.

Social Hall

This is a large bright space with windows and French doors looking out to a grassy lawn.

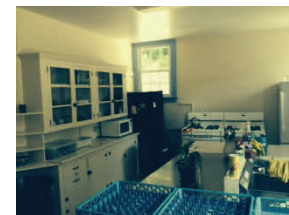

There is a raised stage at one end and pass through window to the kitchen. It can accommodate seating for 135 people. Bathrooms are right around the corner. The Hall can be entered from the sanctuary or directly from a

handicap accessible side entrance. Tables and chairs are available for use with this space.

Kitchen

Our fully equipped kitchen includes two gas stoves, two full sized refrigerators, a large 3 section sink for washing, rinsing and sanitizing dishes, two microwaves, dishes and cookware. Use of the kitchen must be supervised by someone who is ServSafe certified.
